Represent my city streets when I shit all over beats
Young Pete Park how I stick to a track, man
The way I make hits you should call me the Batman
I'm more like a Jetson 'cause nigga I'm spacely
I'm eatin' like Pac-Man you playin' like Jackson
A role model but gotta keep me some weeds whirled
Ridin' with a superhero dime I call her G girl
Know I'm a star my car's parked out of the world
And my diamonds kind of remind little mama of sea world

They say they need someone to come and save the game and I'ma motherfuckin' (hero)

I straight run this shit, punisher, Frank Castle
I'm Tony without the iron suit

Got my pedal to the floor, you'll never be in my lane
Can't remember my name they notice me from my chain, let's go
