This ain't for no ho niggas, this ain't for no bitch niggas
This is for them rich niggas that be gettin' paper
All I do is ball, nigga, that's my human nature
This is for them niggas who know that they got strong pack
If it ain't strong, we don't blow that
If it ain't strong, it's gon' go back
Money so long, that shit throw-back
And my nigga, this shit paid for, I don't owe that
It's a movie dog, it's a Kodak
And I'm so gone, see you later

Monroe, Taylor Gang's .44, four door (Door)
For dough, four more coupes then blow mo'
It's about to go down like a credit score
Your broke ass can't even use debit, where
Versace decor from the bed to the floor
Have several seats or exit door
Pussy sweet, shoe mean
We ain't gettin' money, 'chu mean?
Whole time your pockets' tighter than a new weave
Fuck 'em, we gon' roll up like two sleeves
Taylor Gang, we down to bang
Y'all pussy weed blanks from failure range
They could never duplicate my Taylor frames
It's the Taylor ring, got a Taylor dame
For this cheese, oh snap
And focus on my headshots
And I ain't never loafin', you won't catch me with bread knots
Eenie, meenie, minie fuckin' mo
All these birds be goosin', so I be duckin' hoes
N-never had an issue givin' bitches my ass to kiss
Wiz told me get 'em so I'm comin' out blastin' bitch

Hey baby, it's me
Um, I know you out there performin' right now, but
I just wanted to leave you a little message
To let you know how much I love you
And I miss you
And I wish you were home with me right now
But I'm so proud of you
And I'm so happy that you're doin' so well out there
I miss you baby, I miss you so much
I can't wait to see you
I love you, mwah, bye
