Sledro!

You've always been a fool man, but you're stupid for this one nigga

This is for my young niggas, this is for my paid niggas  
This is for my wild niggas, this is for my gang members  
This is for the ones that don't care 'bout bein' hood niggas  
This is for them badasses, this is for them good niggas  
This is for them fly niggas, this ain't for them broke niggas  
This is for high niggas, roll one up and smoke, nigga  
This is for them boss niggas that be gettin' paper  
This is for them real niggas, this ain't for them fakers

And I bought it cause I want it

Screamin' fuck a bitch nigga and a hater

This is for them

This is for them lil' niggas that be goin' so hard  
That be on they grind, know exactly where they post are  
Tryin' to get they cheese, tryin' to get they pocket so large  
This for niggas over-seas, this is for them dope boys  
This is for them joint-smokers, this is for them gin-sippers  
This ain't for no ho niggas, this ain't for no bitch niggas  
This is for them rich niggas that be gettin' paper  
All I do is ball, nigga, that's my human nature  
This is for them niggas who know that they got strong pack  
If it ain't strong, we don't blow that  
If it ain't strong, it's gon' go back  
Money so long, that shit throw-back  
And my nigga, this shit paid for, I don't owe that  
It's a movie dog, it's a Kodak  
And I'm so gone, see you later  
This ain't for y'all
