

Wiz Khalifa, Like Jimmy

I woke up in a bed full of bitches that I ain't even fuckin'
Fell asleep in a bed full of bitches that I ain't even fuckin'
Like Jimmy, like Jimmy, like Jimmy, like Jimmy
I smoke a joint and wrapped a band around my motherfucking head like Jimmy

Niggas mad at me cause the hoes that I leave with so pretty
I'm a badass, do my own thing when I'm in your city
Purple haze, I'm on purple haze
To come down, I need a couple days
Bitches kissin' on me
Drinkin' liquor, takin' naked pictures for me

I woke up in a bed full of bitches that I ain't even fuckin'
Fell asleep in a bed full of bitches that I ain't even fuckin'
Like Jimmy, like Jimmy, like Jimmy, like Jimmy
I smoke a joint and wrapped a band around my motherfucking head like Jimmy

Fuck you with my vest and my boots on
Skinny but it's wide and it's real long
Red wine got her zonin'
Flip my tongue, now she open
If she bad I want it
Ass fat, got my name tatted on it

I woke up in a bed full of bitches that I ain't even fuckin'
Fell asleep in a bed full of bitches that I ain't even fuckin'
Like Jimmy, like Jimmy, like Jimmy, like Jimmy
I smoke a joint and wrapped a band around my motherfucking head like Jimmy
