

# Wiz Khalifa, Mothership Connection

Well, all right!

Starchild, Citizens of the Universe, Recording Angels

We have returned to claim the Pyramids

Partying on the Mothership

I am the Mothership Connection

Gettin' down in 3-D

Light year groovy

Well all right, if you hear any noise, it ain't nobody but me and the boys

Gettin' down. Hit it fellas!

If you hear any noise

It's just me and the boys

Hit me (groovin')

You gotta hit the band

All right, all right, Starchild here

Put a glide in your stride and a dip in your hip

And come onto the Mothership

Loose Booty, doin' the Bump

Hustle on over here

If you hear any noise

It's just me and the boys hittin' it

You gotta hit the band

Ain't nothing but a party, y'all

Bassy, even your memory bank never got this funk

Mothership Connection, home of the P-Funk, the Bomb

If you hear any noise

It's just me and the boys, hit me

You gotta hit the band

Doin' it in 3-D

Let me put on my sunglasses here so I can see what I'm doing

When you hear things rumble you just hear your conscience crumble

Hit me

You gotta hit the band

You have overcome, for I am here

Swing down, sweet chariot

Stop, and let me ride

[x6]

Doin' it up on the Chocolate Milky Way

What's happenin' CC? Have you forgot me?

Are you hip to Easter Island? The Bermuda Triangle?

Heh heh! Well, all right. Ain't nothing but a party!

Starchild here, Citizens of the Universe

I bring forth to you the Good Time

On the Mothership

Are you hip?

Sing, fellas!

If you hear any noise

It's just me and the boys

Hit me

You gotta hit the band

[x2]

Starchild here, doin' it in 3-D

So good, it's good to me

Hit the band!

If you hear any noise

It's just me and the boys

Hit me  
You gotta hit the band

Swing low, sweet chariot, coming for to carry you home!

If you hear any noise  
It's just me and the boys  
Hit me, hit the band  
[x2]

I don't think they hear you!  
If you hear any noise  
It's just me and the boys  
Hit me  
You gotta hit the band

Starchild here, citizens of the universe  
Gettin' it on, partying on the Mothership  
When Gabriel's horn blow, you'd better be ready to go

Swing low  
Time to move on  
Light years in time  
Ahead of our time  
Free your mind, and come fly  
With me  
It's hip  
On the Mothership  
Groovin'

Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride  
Swing down, sweet chariot  
Stop, and let me ride
