

# Wiz Khalifa, My Thing

I'm doin' my thing you should be doin' you  
Gettin' my change  
You should be doin' you  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me dog I'm just doin' what it do  
There's money to be made so I'm stackin' to the sky  
Smokas all day boy you know I stay high  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me I'm just doin' what it do

You know me as the prince  
Young but livin' large  
A couple different broads  
The youngest in charge  
Live is just a game  
I'm weighin' out the odds  
They say it ain't the hand deal but how you play your cards  
And me I'm goin' hard  
You cats are livin' lies  
Money to be made so I'm stackin' to the sky  
Rap and gettin' high  
Employed by the O  
You niggas pay the high  
I got it on the low  
Hit the gas flowin dro  
Bitch I'm from the burgh  
Raised in the hood  
Now my crib is in the burbs  
The haters talkin' down they gonna get what they deserve  
It's over for you clowns  
So as my niggas get the word  
I made it this far  
By stayin' in my lane  
Since I was thirteen I've been the player in the game  
And now I'm gettin' change  
High and gettin' loose  
Bitch I'm doin' me you should be doin' you

I'm doin' my thing you should be doin' you  
Gettin' my change  
You should be doin' you  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me dog I'm just doin' what it do  
There's money to be made so I'm stackin' to the sky  
Smokas all day boy you know I stay high  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me I'm just doin' what it do

I'm into fast car  
Speakers in the trunk  
Eye out for polices cause I'm keefin' on this blunt  
Give the people what they want  
That's why we gettin' cake  
Catch me in the lab Benji got my money straight  
And niggas gonna hate  
Khalifa gonna ball  
Shipped from over seas you won't see it at the mall  
Bitch I'm so fly only see em' if I fall  
Hater in my way I ain't see them at all  
The key is with the boss  
Been certified coke  
You make a nigga liar  
A certified joke  
And the word is ya'll broke

So they ain't in my lead  
I'm one amazin' teams  
The major and seem and see  
My face on magazines  
My team we get it done  
Make it look easy like we do this shit for fun  
But we do this shit for fun  
The green back loose  
Why you worried about me  
You should be doin' you

I'm doin' my thing you should be doin' you  
Gettin' my change  
You should be doin' you  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me dog I'm just doin' what it do  
There's money to be made so I'm stackin' to the sky  
Smokas all day boy you know I stay high  
Bitch I'm doin' me you should be doin' you  
Why you hatin' on me I'm just doin' what it do
