

Wiz Khalifa, No Dirt

Mhm

Let me talk to you

Show you something that you probably seen before, but you never seen it like this

Physically fit, smoking that shit you can't get

If it don't make dollars, then well it don't make sense

Got my crib out in Cali, buy everything for my kid

You hear me talk about it, fuckin' right, it's what I live

Lean back, hit the chronic

She like "Why it so intense?"

I say don't "Don't worry 'bout it, keep your mind up on these chips"

And these niggas out plotting

They broke so they got something against us

Pot, we smoke it anywhere

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Don't get to a comfortable point

And back off

Gotta be sharp, the game's filled with whack artists

I ain't hating on you dawg, get yours

But don't ever think I'm convinced

These eyes covered by lenses

'Cause I'm probably high as your rent

See the Forbes list, think it got him content

But I'm not, I'm still hustling hard

Won't let my paper stop

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw

Got that ODB, 'cause they say they like it raw
