

Wiz Khalifa, No Gain

We started?

I've got so much, so much shit to do, don't even know where to start

Be here forever

I think that's the plan, you know?

Start here, end up there

Soon as you think something's goin' on you start back over

It's never gonna be the same

I ain't complainin' though

I really wouldn't have it any other way

NIGGA

Every day you wake up your destiny depends on what you do

Sometimes I roll one when I'm stressed out and sometimes I roll two

Here people sayin' shit about the way I am but I know that ain't true

At times I feel like I'm all by myself and I know you do too

I made some phone calls and checked emails cause I'm always grinding

Ain't no rush, I do things slow cause it's all about timing

Some people think when you get to this point in life you've made it

I've seen so many settle for less, that's when talent get wasted

I ain't there, but if I can I'ma try to be perfect

And for those who ridin' with me, I'ma try to make it worth it

I drink too much, I prefer weed 'cause it's better for the stress

I just woke up, I don't get sleep, boy, my schedule's a mess

Man, I work hard (goddamn, shit)

Man, I work hard (what? Whoa)

Man, I work hard (literally, nigga, work, get your bags, let's go)

Man, I work hard (we on, nigga)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

No pain

Man, I work hard

Just left another one

Just rolled another one

Just got another check

'Bout to thumb through another one

Fallin' asleep on the plane, no sleep, the flight come with one

Young nigga holdin' it down, don't care if it make you uncomfortable

Hardly spend nights at the crib, homie that's just how I live

Don't even go hard for myself, I got a wife and a kid

I don't ever question the biz, nigga it is what it is

You niggas ain't killin' shit, no you niggas ain't killin' shit

What they doin'? They say nothin'

Where they goin'? They say nothin'

Call my phone, it ain't nothin'

I smoke a lot, but don't judge me

Prolly wake up earlier than all of you niggas

Mafuckas always hate on the squad

But all the hatin' mafuckas always hatin' ain't get paid

Man, I work hard

Man, I work hard (fuck!)

Man, I work hard (I mean like goddamn what you want me to say?)

Man, I work hard (it's what I do!)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

It ain't no gain (it ain't no gain, no gain without bein' no pain)

No pain

Man, I work hard
