And your man ain't acting right  
So you packin' your Domiar luggage up callin' my cell phone, try and catch a flight  
You know one thing straight, I'll be there girl whenever you call me  
When you at home that's your man, soon as you land you say that's all me  
But shit ain't all g with him no more, you ain't entertained  
Since I meet you a couple months ago you ain't been the same  
Not sayin I'm the richest man alive but I'm in the game  
As long as you keep it 100 Imma spend this change,

[Chorus]

Whenever you need me  
Whenever want me,  
You know you can call me, I'll be there shortly  
Don't care what your friends say, cause they don't know me  
I can be your best friend, and you be my homie  
I ain't gonna flex, I'm not gonna front  
You know if I ball, then we all gonna stunt  
Send her my way, she ain't gotta hold up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up, I roll up, I roll up  
Whenever you call baby I roll up

[Wiz Khalifa - Verse 2]

I try to stay out your business  
But on the real you're so obvious  
And if you keep fitting me in your plans and fuckin up, your mans gonna catch onto us

If you rolling I got a spot where I can put you on this medical, and send you home doctored up  
You wanna ride with me cause you say that he boring  
Wake up you rollin' weed, cooking eggs in the morning  
Ain't scared to spend this money I'll make more of it  
First you was in the sky now you say you in orbit

[Chorus]

No matter where I am  
No matter where you are  
I'll be there when its over baby  
Cause I was there from the start  
No matter if I'm near  
Don't matter if your far  
All you do is pick the phone up lady  
And I'll be there when you call

I can be your best friend, and you be my homie  
I ain't gonna flex, I'm not gonna front  
You know if I ball, then we all gonna stunt  
Send her my way, she ain't gotta hold up
