

# Wiz Khalifa, So High

Remember this shit right here?  
This what we do. W-E-E-D  
I shouldn't have to tell you to roll up the blunts  
They should already be lit. Bitch

Niggas always ask me why I get (So high)  
I tell them mind their fuckin' business  
I'm tryin' to find a couple swishers and I'm (So high)  
I think I bought a box and don't remember  
They watch singin' this boy (so high)  
You see that smoke coming out the windows  
I keeps Urkel like the Winslows  
You smell purple when the wind blows (It's fading away)  
Don't know how I wake up sober I go to sleep (So high)  
Can't even keep my eyes open  
'Member first time I tried smoking  
Wiz (So high) damn near thought I was gon' die chokin'  
Smoke kush so that's pro'ly why I look (So high)  
Eyes getting red, mouth all dry (it's fading, it's fading)  
My memory y'all (Is fading away)  
Yeah

Swag, I need you to call up if you know for a fid-act that you got the best weed in your motherfuckin'

Took a trip out to Cali and man I never been  
(So high) before or even after that  
Me and my niggas rollin' back to back until we get (So high)  
Yeah, on the road  
30 blunts before a show, they like how do you perform (So high)  
I say this what I does  
You can say I love my drugs  
Matter fact, roll another one girl, my buzz (Is fading away)  
I'll get everybody in this bitch (So high)  
Brought the chronic everybody get a spliff  
Don't smoke get a tiny little whiff and be feeling (So high)  
Ha ha, smokin' in my car  
Don't even know how I could even drive my whip (So high)  
Roll another one when the first blunt's lit  
My energy y'all (It's fading, fading, fading)  
It's fading away (It's fading away)

Yeah, you know, keep that cloud of smoke, man  
Stay rollin' up them swishers, pullin' out that bag  
Yeah
