

# Wiz Khalifa, The Cruise

Does anybody have regular size papers out there?  
King size? I'll use those  
Let me see that grinder

Got the windows down, radio's on

You got it all, well at least you think you do  
When it's time to ball, niggas better think of you  
You see the life you wanna live on TV and wanna be a part of it  
Spend every night just popping bottles, pouring drinks in VIP, and you love it  
The more you make, the more they hate, the more they're fake, don't worry, that's just how the game  
The more you make, the more they hate, the more they're fake, but I'm just singin' the same note, p

Got the windows down, radio's on

You got it all, well at least they think you do (woo, yeah)  
When they say workin' hard, man, they better think of you  
Cause all these plaques, nigga, that's because of it  
Wouldn't have shit if it wasn't for it  
Smokin' on medicinal, spraying ozium to try cover it  
In the game playin' hard, but I'm just in the game, I ain't in love with it  
Y'all niggas tryin' to get famous, a nigga like me tryin' to get fuckin' rich  
Fuckin' rich, fuckin' rich, broke ass niggas can't fuck with this  
Fuck a deal, when it goes down, got a hundred mill on my bucket list  
Y'all niggas gon' keep on hatin' but we ain't gonna stop then  
You'll catch me in somethin' foreign and the top gon' be droppin'

Got the windows down, radio's on

When you think of those, you think of the  
Jay Zs, the Diddys and Master P back when he was  
Really, really getting it  
Now, you didn't rank— number 11 is a nice place to land

Yeah, that's cool. And I did that on accident

You tripped and just fell?

Nah, forreal, I didn't even do that on purpose bro  
I'm not even stuntin' so imagine when I start tryin'
