

Wiz Khalifa, Wake Up

Ooo

Yeah

Wake up, wake up, I don't wanna wake up, wake up

Wake up, wake up, I don't wanna wake up, wake up

Yeah I'm straight, never switch lanes

On my job everyday 'cause it's hard not to see I

I came up in a big way, and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up

I don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from

Oh, long days, what I know hard work pays

So the money getting long too

And the Kush smell strong too

That's that good any chick with me, she the bomb too

One thing I know is go hard young, make fake niggas notice

Blowing money 'cause you dying if you don't live

That's how you know I was fly when I wrote this

First class tags or maybe I'm the first 'cause of my first class swag

Used to say that I was trippin', so a nigga bought expensive-ass bags

Yeah I'm straight, never switch lanes

On my job everyday 'cause it's hard not to see I

I came up in a big way, and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up

I don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from

Go hard young, go hard

They let you in the game, better play your part

Go hard young, go hard

And if you in the game might as well play smart

'Cause I've seen niggas fold like paper

Got money seen friends turn haters

Got money minor league turn major

Got money white people turn neighbors

Need a girl, teach her how to roll papers, six months three whips all player

Run my town like the mayor, I run my town bitch I'm like the mayor

Yeah I'm straight, never switch lanes

On my job everyday 'cause it's hard not to see I

I came up in a big way, and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up

I don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from

I can take you up higher than you ever know

Let you touch what you want hit it once and you won't let go, hell no

Let you lean back, inhale smoke

Yeah I'm straight, never switch lanes

On my job everyday 'cause it's hard not to see I

I came up in a big way, and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up

I don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from

Yeah I'm straight, never switch lanes

On my job everyday 'cause it's hard not to see I

I came up in a big way, and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up

I don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from
