

# Wiz Khalifa, Who I Am

Yeah  
You are now tuned in to W.E.E.D  
I am your host, Mr. EZ Rider, ya dug?  
Always rollin' up back to back  
But right now we gon' take you on a smooth ride  
Straight outta the 412  
My man Wiz Khalifa here  
Something y'all can all sing along to

I be rolling  
Riding  
Oh so fly  
I be so, so high  
She see I'm that guy you wanna ride with  
Like my car? Get inside it  
You excited?  
I don't blame you  
Everywhere I go, all them hoes act the same too  
I don't wanna date you  
I just wanna take you home  
And do somethin' grown folks can relate to  
You think I'mma play you?  
I would hate to  
Long as you stay cool  
We should be straight, boo  
Bitch, I'm a straight fool  
No I can't lie  
Don't let a day go by where I ain't high  
Pump your brake lights  
That means slow it down  
Know who I is  
And now it's 'bout to go down  
You wanna roll now?  
Well, let's ride out  
Right now  
I'll show you what I'm 'bout

Try to front when you see me in the club  
Bitch, you know who I am  
Gettin' weeded with a pocket full of dubs  
I bet you know who I am  
They be runnin' up and showin' all this love  
'Cause they know who I am  
Didn't notice it, but now you're goin' nuts  
'Cause you know who I am

I be caking  
Making  
All this money  
Look honey  
I ain't faking  
Say that you taken  
That's cool with me  
'Cause you and your boyfriend  
Ain't got shit to do with me  
Truthfully  
Real talk  
I pimp hard  
She tell them lames get lost  
Bottles of Patron  
Good green in my cigar  
See you and your girls  
Watching me and my niggas  
Now that your with us

If not Wiz  
Young fuckin' rap star  
I just get it how I live  
This ain't the first time  
That you heard about Wiz  
So how are you feelin' me?  
Don't front and act like it is  
Say you ain't the type to just  
Let anyone pound  
Just letting me come 'round  
Now she a bus down  
Feeling my convo?  
Then mami let's ride out  
Right now  
I'll show you what I'm 'bout

Try to front when you see me in the club  
Bitch, you know who I am  
Gettin' weeded with a pocket full of dubs  
I bet you know who I am  
They be runnin' up and showin' all this love  
'Cause they know who I am  
Didn't notice it, but now you're goin' nuts  
'Cause you know who I am
