The bigger the bill
The harder you ball
Well I'm throwin' mine
Cause my money long
The quicker you're here
The faster you go
That's why, where I come from, the only thing we know is

The bigger the bill

I be killing them hoes, lock me up for murder
Make that ass shake, shake it like it's nervous
Lil Tunechi bitch, I'm high as Wiz Khalifa
I swallow that pearl, tongue like I'm having a seizure
And I work hard, go harder, no father, no problem
Send my crew at your neck, like a t-shirt with no collar
Ho Holler, I'm poppin, red bone, you perfect
But when her period down man that bitch a brand new person
We are all gifted people, just don't open the gift too early
She on her knees waiting for that nut like a verdict
Ahh, work hard, play hard, my dick stay hard, but suck my skateboard!
Tunechi!
