

# Wizard, Dead Hope

Two souls now dancing  
to the music of their dreams  
Baldur and Iduna  
hand in hand they walk through Hel

Blinded by cruel darkness  
they can't see what is around  
dazzled by their feelings  
they don't hear the chaos scream

Bridge:

Two souls embraced by eternity  
brought together by a cruel destiny  
now they'll live 'til the end of time  
in the realm of the death-queen

Refrain:

Baldur is dead, the god of life  
killed, bleeding in the sand  
Baldur is dead, a poison arrow shot  
by an evil hand

Cold tears, no emotions  
two living souls in a dead world  
see the death-queen laughing  
don't care about their pain

crying gods in Asgard  
all hope is gone cold emotions  
What stands in the future?  
When all is said and done.

Refrain:

Baldur is dead, the god of life  
killed, bleeding in the sand  
Baldur is dead, a poisoned arrow  
shot, by an evil hand

Kill  
Shot  
Kill
