

# Wolf, American Storm

Burnout scream  
Raging speed  
Ignition, precision  
Hammering the beat  
Mechanic, manic, black assassin  
Angel of death  
Bringer of tears  
Hold your breath  
The end is near  
Mechanic, manic, black assassin  
Thunder-storming hate progression  
Aeons shaking  
Demolition mode  
Bones are breaking  
Shatter and explode  
Here it comes to break your neck  
Bloodsucker  
Exalted reign  
Destructed brains  
Escalating madness  
Excruciating Pain  
Electric vengeance, acid rain  
Bloodstained greed  
Demon's breed  
Cutting like a razor  
Apocalyptic seed  
Electric vengeance, acid rain  
High voltage gain, turn up the pain  
Shatter and explode  
Burnout scream  
Raging speed  
Ignition, precision  
Hammering the beat  
Mechanic, manic, black assassin  
Angel of death  
Bringer of tears  
Hold your breath  
The end is near  
Mechanic, manic, black assassin  
Thunder-storming hate progression  
Shatter and explode  
Awaiting the final return  
The world as we know it will burn
