

Wolfgang, Love And Despair

So it left you blinded soft and binded tied to your angry chair.
You raised its hammer and smashed you under
Yet you seem to care
Love and Despair

One more bite a little closer to the bone and the
left side's gone, left sides gone
One more bite a little closer to the bone it never
lasts that long, lasts that long

You looked up now eyes hallow your weeakness flows through the air
You clench your fists and smash in guilt
Child lost whithout a prayer
Love and Despair

I don't wan to cry
I don't want to...
I don't want...
I don't want to try
I don't want to cry

Oh yes love she'll lie
I'm so sick of all these
God damn lies!
