

Wolfsheim, This Is For Love

'you've got to do it...
do something right now...
there's no time for waiting..."
"anyhow!"
"you've got to do it..."
"everything went wrong...
something has to happen..."
"somewhat strong... it has to be..."
"something for everyone to see...!"
"this is for love... this is for hate...
and there were never higher stakes..."
"you've got to do it right!"

"and you know just what to do...
we know you will..."
"and you know just what to do
we'll love you... still..."
and then you'll discover this is no dream...
life is as real as it seems!
and if someone says: "they have to pay the toll!"
don't believe it at all!
