

# Won Ton Ton, I Lie And I Cheat

Every now and then I think about my life  
I see it around me and smile  
What a happy life I got till now  
Till now

Every night I sleep well and I dream  
I dream about everything I'm not  
Ooh, I'm not a loser

chorus:  
cause I lie and I cheat  
That's why I lay down at your feat, boy  
I lie and I cheat  
That's why I lay down at your feat, boy

Every now and then you give me flowers  
Mostly the morning after  
To show me that I was wrong  
So wrong

It took me one hundred years to find you  
It's sad I admit  
But I can't quit

Chorus

Every now and then you blow me a kiss  
But then you blew it, with your fist  
Pride makes me bear these bruises  
When you grin  
No roses without thorns

Chorus

I'm a liar, I'm a cheater,  
I'm a liar, I'm a cheater,  
I'm a liar, I'm a cheater,  
I'm a liar,  
I'm a cheater,  
I'm a liar,  
I'm a cheat, I'm a cheat, I'm a cheater,

Every now and then I think about my life...
