

# Wondermints, Barbarella

"Woah you give me a cold shoulder"  
should be:

"Though you give a cold shoulder"

The rest reads fine, although I thought the band was "Bob Glitter and the  
Glitterhouse Five"?

And chance you remember the lyrics to the end song? I can not recall the first  
line and its driving me nuts"

(something) is sorrow,  
The devil is hate.

A dream is tomorrow,  
A fool can not wait.

An artist is beauty that rises above,  
and looks in the eyes of an angel.  
An angel is love...!

Why...! Why do I love you, I love you, I do.

Why...? It's because my angel is you.

I know, yes, I know.

I know.

(repeat first part much faster)
