

# Woody Guthrie, Jackhammer Blues

Jackhammer Jackhammer  
Where you been  
Been out chasin them  
Gals again  
Ho ho ho Well I got them  
See my woman  
When the sun goes down  
Grab my hammer  
And go to town  
Yes Folks  
I got them Jackhammer blues

Made every state in the  
red white and blue  
Looking for a jackhammer job to do  
Rise easy  
I got them  
Jackhammer blues  
Got a Jackhammer woman  
Just as sweet as pie  
Gonna  
Hammer on the hammer  
Till the day I die  
Lord God have mercy  
I got them  
Jackhammer Blues
