

Woody Guthrie, Jackhammer John

Jackhammer Jackhammer
Where you been
Been out chasin them
Gals again
Ho ho ho Well I got them
See my woman
When the sun goes down
Grab my hammer
And go to town
Yes Folks
I got them Jackhammer blues

Made every state in the
red white and blue
Looking for a jackhammer job to do
Rise easy
I got them
Jackhammer blues
Got a Jackhammer woman
Just as sweet as pie
Gonna
Hammer on the hammer
Till the day I die
Lord God have mercy
I got them
Jackhammer Blues
