

Woody Guthrie, Who's Going To Shoe Your Pretty

Who's gonna shoe your pretty little feet?
Who's gonna glove your hand?
Who's gonna kiss your red, ruby lips?
Who's gonna be your man?
Papa's gonna shoe my pretty little feet
Mama's gonna glove my hand
Sister's gonna kiss my red, ruby lips
I don't need no man

I don't need no man
I don't need no man
Sister's gonna kiss my red, ruby lips
I don't need no man

Fastest train I ever did ride
Was a hundred coaches long
And the only woman I ever did love
Was on that train and gone

On that train and gone, boys
On that train and gone
The only woman I ever did love
Was on that train and gone

Who's gonna shoe your pretty little feet?
Who's gonna glove your hand?
Who's gonna kiss your red, ruby lips?
Who's gonna be your man?

Papa's gonna shoe my pretty little feet
Mama's gonna glove my hand
Sister's gonna kiss my red, ruby lips
I don't need no man

I don't need no man
I don't need no man
Sister's gonna kiss my red, ruby lips
I don't need no man
