There Will Never Be Another You

Woody Herman

Music and Lyrics by Harry Warren and Mack Gordon

There will be many other nights like this,
And Ill be standing here with someone new,
There will be other songs to sing,
Another fall, another spring.
But there will never be another you.
There will be other lips that I may kiss,
But they wont thrill me like yours used to do,
Yes, I may dream a million dreams,
but how can they come true,
If there will never ever be another You.
