

World Wide Message Tribe, Tell The World

I will not be afraid to tell the world
about Jesus Christ For it was Him who died,
shed his blood for me So I could have eternal life,
Because I love him I'll tell everybody
that he's coming back again Got to share it in the North,
South, East and West On the mountains in the valley,
everywhere

I've got to tell the world I've got to say
Just believe it, then receive it.

When I walk through the valley of death I will
have no fear Even when my enemies surround me
Lord you're always there Surely goodness and
mercy will follow me every day of my life Cos
you're leading me, protecting me Guiding me
straight to eternal life.
