

# Wouter, Come A Little Closer

Falling at your feet  
Am i in to deep?  
Tell me  
I don&#039;t wanna leave  
Coz i know that you&#039;re hiding what you feel

We&#039;ll never know what tomorrow holds  
But if we don&#039;t try  
Perhaps in time we&#039;ll wonder why  
And what might have been

Chorus:  
Come a little closer  
Come on let me hold ya  
It ain&#039;t wrong if it feels right  
So come a little closer  
Let me get to know ya  
We might only have tonight  
Come a little closer

I&#039;ll put us on the line  
If it can make you mine  
Yeah  
If you don&#039;t feel the same  
Then i&#039;ve already lost you anyway

We&#039;ll never know what tomorrow holds  
But if we don&#039;t try  
Perhaps in time we&#039;ll wonder why  
And what might have been

Chorus

I didn&#039;t mean for this to happen  
Things don&#039;t have to change  
But i&#039;ll still feel the same  
If you try to trust your feelings  
You&#039;ll see it&#039;s not so hard  
Now we&#039;ve come this far

Chorus
