

# Wreckers, I'm Feelin' You

Sometimes I imagine the world without you  
But most times I'm just so happy that I ever found you  
It's a complicated web that you weave inside my head  
So much pleasure with such pain  
Hope we always, always stay the same

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive  
I've never faced so many emotional days  
But my, life is good  
I'm feeling you  
I'm feeling you

You go and then I can finally breathe in  
'Cause baby I know in the end you're never leaving  
Well, we're rarely ever sane, I drive you crazy and you do the same  
But your fire fills my soul and it warms me up  
Like no one knows

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive

I've never faced so many emotional days  
But my, life is good  
I'm feeling you  
I'm feeling you

I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive  
I've never faced so many emotional days

Oh, I'm feeling the way you cross my mind  
And you save me in the nick of time  
I'm riding the highs I'm digging the lows  
'Cause at least I feel alive  
I've never faced so many emotional days

Life is good  
I'm feeling you (5x)  
I'm feeling the way that you cross my mind  
And the way that you save me in the nick of time  
Oh I'm feeling the way when you walk on by  
I feel light I feel love I feel butterflies
