Wreckers, I'm Feelin' You

Sometimes I imagine the world without you But most times I'm just so happy that I ever found you It's a complicated web that you weave inside my head So much pleasure with such pain Hope we always, always stay the same

I'm feeling the way you cross my mind And you save me in the nick of time I'm riding the highs I'm digging the lows 'Cause at least I feel alive I've never faced so many emotional days But my, life is good I'm feeling you I'm feeling you

You go and then I can finally breathe in 'Cause baby I know in the end you're never leaving Well, we're rarely ever sane, I drive you crazy and you do the same But your fire fills my soul and it warms me up Like no one knows

I'm feeling the way you cross my mind And you save me in the nick of time I'm riding the highs I'm digging the lows 'Cause at least I feel alive

I've never faced so many emotional days But my, life is good I'm feeling you I'm feeling you

I'm feeling the way you cross my mind And you save me in the nick of time I'm riding the highs I'm digging the lows 'Cause at least I feel alive I've never faced so many emotional days

Oh, I'm feeling the way you cross my mind And you save me in the nick of time I'm riding the highs I'm digging the lows 'Cause at least I feel alive I've never faced so many emotional days

Life is good I'm feeling you (5x) I'm feeling the way that you cross my mind And the way that you save me in the nick of time Oh I'm feeling the way when you walk on by I feel light I feel love I feel butterflies
