

# Wreckers, I'm Feeling You

Sometimes I imagine the world without you  
But most time I'm just so happy that I ever found you  
Its a complicated web  
That you weave inside my head  
So much pleasure with such pain  
We always always stay the same

(Chorus:)

I'm feeling the way you cross my mind  
And you save me in the knick of time  
I'm riding the highs I'm digging the lows  
'cause at least I feel alive  
I never faced so many emotional days  
But my life is good I'm feeling you  
I'm feeling you

You go and then I can finally breath in  
'cause baby I know in the end you're never leaving  
Well we rarely ever sane  
I drive you crazy and you do the same  
But your fire fills my soul  
And it warms me up like no one knows

(Chorus)
