

# Wreckers, Lay Me Down

You let me in  
'Cause after all, it seemed like the right thing to do  
I closed my eyes and let you fall  
I wonder what you could possibly know  
About breaking down that I don't  
It's been a while since I begged for anything but now I want more

So lay me down  
I'm lonely  
You don't understand me  
You never even tried to anyway

I hear you say it's not the same  
I'm sorry, it's something I just can't explain  
So shut your mouth and hold me close  
We both know it's better than being alone  
I don't mind killing time as long I can see it in your eyes

Lay me down

I'm lonely  
You don't understand me  
You never even tried

If wanting you's wrong, then I'm wrong, I'll admit it  
But time after time you realize you don't mean it

Lay me down  
I'm lonely  
You don't understand me  
And you never even tried

I'm sorry  
Lay me down  
I'm lonely  
Lay me down  
You don't understand me  
And you never even tried to anyway
