

Write This Down, With Kings And Counselors

[Verse:]

THERE'S A CARD UP MY SLEEVE

It's a quicker solution

And it's easier than honesty

THERE'S A LOOK ON YOUR FACE

Like you've just seen a murder

And you're terrified beyond belief

YOU THINK YOU'VE FIGURED THIS OUT?!

With the lights all down low

And a stare that will chill the bone

LIKE A HALFWAY HOUSE

Empty your pockets, unload all your failures.

[Chorus:]

Walk away like nothing happened

Whispering, "it's gonna make sense in the end"

It's now or never, are we ever gonna get this right?

It's now or never, are we ever gonna get this right?

Cover up those fair intentions

After this, we will never be the same again

It's now or never, are we ever gonna get this right?

It's now or never, are we ever gonna get this right?

[Repeat Verse]

[Repeat Chorus]

[Bridge:] [x2]

Like an avalanche

I will bring you to your knees

And the pressure will break your bones

Silencing your screams!

[Repeat Chorus, first half only]

WHAT CAN WASH AWAY MY SINS?

NOTHING! [Nothing!] NOTHING! [Nothing!]

NOTHING BUT THE BLOOD!
