

WRS, Llamame (Rumunia - Eurowizja 2022)

Knew that I was different than the others
They never liked you
Try to keep my head above the water
But you're makin' it so hard to

What if they're gonna find out?
Nobody's gonna like it
We get away
Need you to stay
What if they're gonna find out?
Nobody's gonna like it
We get away
Need you to stay

Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
(Hola, mi bebé)

Love cannot be stopped by anybody
'Cause it's so true
I show it to the world, 'cause I won't hide it
Are you down to believe intenser?

What if they're gonna find out?
Nobody's gonna like it
We get away
Need you to stay
What if they're gonna find out?
Nobody's gonna like it
We get away
Need you to stay

Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
(Hola, mi bebé)

And when you say my name
My world's crumbling
I feel complete, all I need is your mystic touch
And what about it now?
I'll keep you safe and sound
We're so in love

Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
Hola, mi bebé-bé
Hola, mi bebé-bé
Llamame, llamame
Llamame, llamame
(Hola, mi bebé)
