

Wu-Tang Clan, And Justice For All

[***Chorus*** x2]

Fuck y'all analog niggas we be digital

Wu-Tang, Killarmy we indispensible

We never fall

We stand tall like sky-scrapers and justice for all

[Killa Sin]

We move on MC's mechanically

Strike nerves like Ghost's verse on 'Can It Be'

hard to touch retarded fucks playing wit they fantasies

respect this, specialist, black

testing this will get ya necklace jacked

and named scratched up off my guestlist party freak

You the type of nigga that'll hardly speak unless you spoken to

You throw a cold screw, but sober up when I'm approaching you

At the same time we posting two

Niggas on that ass that's gonna do what they supposed to do

The limelight, snatched away from you because it's my night

Killarm blaze inside of the twilight, you better get ya lines right

Half of these crabs cant even rhyme right

with dust flows, robotic movement, and blurry eyesights

What you want I already got

and that's control, I keep my head high, hand pon cock

and pockets swollen, you foldin, you faggot ass fuck

[Dom Pachino]

Yo farotion never fails

shoot at darts sharper than a carpenters nail

inhale life, exhale strive anxiety's trife

blowin' smoke out my peace pipe

Ducking the snipe

shot off the top of the White House and cop 4'S

war never does and many causes

my offense is my defense extreme precautions

moving cyphers high valocities making you nautious

ya forcing it

parishly extortionists

aborting this

space ship thats spacious face it

im on contain shit

pioneer looking for honey and is it matrix

the case is

if not ya basic

way to make shit

embrace it

knowing some day you'll have to face it

[***Chorus***]

Fuck y'all analog niggas we be digital

Wu-Tang, Killarmy we indispensible

We never fall

We stand tall like sky-scrapers and justice for all

(so fuck y'all, so fuck y'all niggas)

[Bobby Digital]

yo, yo hard to grapple

I raise the sharp scaple

technique slaps you invasion body snatch you money grip

I smoke the honey dip blunts cherry bomb very calm

First bursts like a shot from the Berry homes

you'd be most wise to pay close attention

to willy lynchin'

its stupid to fuck wit' Bobby Steel's henchmen

I step into presidential

credentials, evident my potential

be infinite, deluxe benetic sluts invinsible

only ones can know me

swore me before the Dolby

Alexis Colby broads try to control me
pussy whip me like Toby
fuck the local
I move global
economical
ship sea promise fool
my info glow
and the dark Wu-Tang logo
sparks the attention, look listen observe
killa bee swerv
slam like Dr. Julias Erv
still strike the vital nerve
charter through the Magna Carta
trapped like Otis and Carter
wild like a Shaolin child from Mariners Harbor
king devine forced to shine
head burst open like a bottle of Pine
use penmanship
when I write my script
blunt spark em' and them mark em' homeless
Killa Hill syndrome
peace to Two Tone
he must know me to understand me from what you do
to realize Im you
everything I do honey bee from the bee hive
Ever-green squeeze dried leaf smoke Killa Priest from the tribe
of Levi smoke out and not steal
or blunt spill
the indestructable Bobby Steel's is here
[Method Man]
Yo In The Heat of The Night
my 4-7-7 mash on the mic
Killarmy and Trappa John M.D.
full metal jackets
cuz' some gots to have it
kill or be killed
only time will reveal
I think by myself
and I drink by myself
from 9-8 until
let me know its real son if its really real
understandable
self explainable
caution John Blaze flammable
when under pressure, interchangeable and still
coming down like precipitation as I reign undesputed
how Johnny do it
dangerously, whoppin cough (cough, cough)
two and off
stank pussy make my dick soft (huh)
bottom line be this high, explosive
not for the average Joseph
come and get some
hol' it, keep one
up in the chamber
blast wit' my middle finger
now I toss men
attack like the Four Horsemen
see me dog walkin'
strickly getty-o slang talkin'
all up in thease guts, soften
thease rap niggas, official
we slap niggas
wit' mak' charges
dope shit regardless

we usually take another niggas garments (what)
[Killarmy]
Straight up and down I got this rap shit locked in '98
niggas cant escape the laws that I enforce like top notch politicians
who be pola-tickin'
slam through expand total construction accross the planet and micro chip software
placed in the rear of ya ear
as I sit the next year
all yall analong niggas fuck yall we be digital
shit is critical
like the hallways in my projects
similar to the streets in Tibet
fuck that I aint playin' wit' a full deck (son, son, son, son)
