## Wu-Tang Clan, Bells of War

[Verse One: U-God]

Yeah, yo

Give me the cue

Skip the introduction, prosate the lip function

The junction get rushed by some grimy people bustin weed

Splatter your belly like some Attica fellas

Use a firearm good, bloods go for hard swelling

Insert the spasm, yes the dirty hurt has them

Thoroughbred thugs insert the fantasm

Verbal smarts, spark the word, visit my scripture

Exotic wine, holding nine, Picasso pictures

When the rhyme pivot you now, limit your chance

Bodyguard the lyric with unlimited stance Words seem to zing on down to Bejing

When we touch down you crown renowned kings

[Verse two: Method Man]

There's no honor amongst theives, street pharmaceutical

Stack like Genovese, the four devil tempt mad men

But not these, we profound hardcore sound

To MC's thumbs down, prepare

Killa bees it be warfare, this the year

Niggaz gotta take you off of here, hold the square

If we go there we go gritty

And spread fear through this rap city, call the mayor

My razor sharp darts be like cold stairs

The smell of fear makes my nostrils -- flair, truth or dare

Ask yourself can you compare

to these niggaz in the hood, Johnny B. Goode

or he be gone, yeah

The struggle goes on, you've been warned

P.L.O. from here to Lebanon, how many bombs

Must we drop in the Ninety-Now

Walk a mile in my shoes, get the street news, from Meth-Tical

[Verse Three: RZA]

You gots to be kidding, you gots to be kidding

Aiyyo kid, you gots to be kidding, my glocks'll be spitting

You gots to be kidding, yo

It's common sense how I master my circum-fer-ence, you dense

I get locked the fuck up, released on my own recognizance

Can't be judged, young bloods bust back like scuds

Wu-Tang harvest one thousand notches above

MC level, yo, I stay high as like treble

Foes who oppose get plucked like rose pedals

Arresting and holding, penetrate for better regions

Wack MC's only lasted one season

The morale was low at the corral

Adjective pronouns had no style, yo, we propose our

aim the official, initial, is Ruler Zig-Zag-Zig Allah

All that other bullshit ain't permissable

Annual increase of the Wu-Tang Manual

Handles to a keyboard is true hip hop set tangible

illegible, every egg ain't edible

My tracks remain Unforgettable, like Ol' Nat Cole

Got to catch this paper to buy Shaquasia a glacier

Throw chairs to deck a skyscraper

Understand that the continents of Africa and Asia

and free the black man from the enslaved labor, Wu-Tang

[Interlude: Masta Killa, Method Man, Raekwon]

The weight of the fam is on our back and we can't fall

Victim to this long hall of fame, meaning nuttin

We came to punish the glutton with a substance

That can't be contained, Wu-Tang

Motherfuckers

We be seeing y'all asses when we walk up in the club

Y'all all in the back

Scared to speak the speak cause you scared

Punk motherfucker, we know what time it is

[Raekwon conversating with some people]

" All you been seeing is upsets in the box and shit right

It's like come on man

This nigga fucked up motherfuckin Whittaker"

" Dang, he caught Whittaker "

&guot;Mmmmhmmm&guot;

"He caught Whittaker a long time ago"

"Mike got touched"

" Then Mike got touched by Holyfield"

"Holyfield"

" Yeah, word up"

"Hey, Mike's -- Mike's gonna forfeit this fight"

"He ain't fighting McDermit"

"He ain't fightin?"

"Nope"

" Whattup? & quot;

" You talkin bout he -- what he, what he did? "

" Told them he cut his eye, in sparring"

[Verse Five: Ghostface Killah]

Style adoral rap pressing, David Berkowitz

Einstein birth to hit, now nurture it

M.G.M. front row seat tonight, no gens

Purified cleanse, ran into some beef up in the men's

Fix your sawed off, Wu-Tang throw me off the cross

All you saw was white meat, skin hangin off

These is words from the Arch Bishop, some call it six up

The Betty Crocker, marvel cake stakes admissor

Wax janitor, black Jack Mulligan from Canada

Slam dance, tarantula style, youse a fan of the

Monopoly king, Slavic poetry

Carnegie Hall's off the hook, let's push through the armory

Mack truck hitting soloist, soul controllers

Behold of the thousand teeth fist, swift and boneless

[Outro: RZA]
