Gunclap +Glaciers+, ran the world and snatched paper
Return to the 36th Chamber
Proceed with caution as you enter
We have an A.P.B., on an MC Killer
Looks like the work of a Masta!!

[Cappadonna]

Yo somethin in the street went, BANG BANG
Makin it hard for you to do your THANG THANG
Somethin in the street went, BANG BANG..

Hopped two cabs, back on the Ave.

Tryin to re-up, keep my feet up
Snake niggaz in the cut, hold the product
Time is up, no luck, heat start to bust

Climb like the deficit, profits, death threats
to Israel slid through Bethlehem bong on one wheel
Syringes, rubber bands, needles, the 60's
Granddaddy Caddy was coppin 6 G's
Begosh all that Oshkosh jumpers
Pink Champelle, brown paper bags, wall to wall bumpers

[U-God]

These (??) camera guys, cause, turn your eyes
Sweat on the hammer fly, ways, of the Samurai
Newsflash bulletin, Gods on the prow!
We full again, ruff men scuff Timbs
Sonic bionic lens, RZA console
Is it Bush or the Dole, front row of the superbowl
Black gold in my soul, on a hoe stroll
Don't go boy you on parole you don't know?

[Inspectah Deck]

Money is stacked, now bust your gun, CLACK CLACK
Someone in the back went, CLACK CLACK
Money is stacked, now bust your gun, CLACK CLACK
Made 'em throw they hands up, but then lay flat
Rat pack eat up, the average alley cat

Prepare for the impact when we contact
Known to drop backs that crack your hard hat
Must I show and prove, trust I, bust I
Make your head spin like chrome 20's on the buggy-I Benz
Who contends, Wu like the Superfriends
Who's your rhymin hero? Wu-Tang rules again
Someone in the back went, CLACK CLACK
Money is stacked, now bust your gun, CLACK CLACK
