Wu-Tang Clan, Get Them Out Ya Way Pa

(Intro: Method Man) If you got it, light it up (8X)

(Method Man)

Àin't no shook in 'em, Pyrex pots is hot, fiends is cooking 'em Little niggaz hugging the block, cops is booking 'em Women hugging they purse when they spot the crook in 'em Back when little J got shot, pops was whooping 'em Little noses dripping with snot, ock, now look at 'em The ghetto got a hook in 'em now, drugs, stay pushing 'em Used to throwing dirt in these blunts, now, it's kush in 'em Used to tell these chicks to shut up, now, he's shooshing 'em Get cash, get that ass, or put a foot in 'em Iron Flag, flag that cab, Bedford and Put-e-nam There ain't no puss in 'em, dick, dildo, or gush in 'em Niggaz still got that juks in 'em

(Chorus 2X: Ghostface Killah (Raekwon)) If he front then we stomp 'em out (Get 'em out ya way pa) If he drunk and he run his mouth (Get 'em out ya way pa) If he front then we stomp 'em out (Get 'em out ya way pa) (Get 'em out ya way pa, move, move, move)

(U-God)

I'm seduced by the chrome, it's a ruthless poem It took a little time to get his juices going Producers know him, as the kid with the Iron Palm Righteous hammer, examine the firearm Approach or get fired on, permanent chest scar Empire Strikes Back, check out the Death Star Bless y'all, wet y'all, do the impossible Where I'm from, we use dum-dums in the arsenal Highly sparkable, get stretched off the knuckle check Known to scuffle, I take it to the upper deck Universal conquest, kung fu, buckle vets In a dufflebag, max yo, a couple techs Give 'em ear hustle, Wu brand, we programmed Next time we dance, it won't be a slow jam I fear no man, son, you get lynched up Nigga bitch, get Frankenstein stitched up

(Chorus)

(Masta Killa) Yeah, voice skipping off percussion Give it to 'em how they love it, slow flow, deadly, beloved All praise, the daunting, calm yet So alarming, without a word being spoken A thought with no voice, just a nod and a look The contract was took, straight cash, off the books A major pawn took a Don, look, he's armed With a few black rooks from the heart of the Crook Shook ones look while they hung him on Hercules hooks They found his body near a shallow brook, escaped on foot Switched the look up, out of state, he got the hook up The flipped cake, thought lighter than the feather Yet heavier than weight, when my mindstate starts to break, take cover Over RZA instrumental, I'm damn near invincible, it's simple

(Chorus 2X)

(Outro: kung fu sample) Tell me, what are they like? They got holes in the top, five round holes While I was watching, this stranger, hit them But his fingers went right through the bone So then, they've... mastered it It's some style of kung fu, you know it? The Skeleton Claw
