

Wumme, How Are You Today?

How are you today?
Are the chips OK?
Does the music play as loud as you love it?
How are you today?

How are you today?
Is the Coke OK?
Are there sirens in the air and police-cars everywhere?
How are you today?

How are you today?
Is the grass OK?
And is Sunny always playing around on a big playground?
How are you today?
