

Wumpscut, All Cried Out

You took your time to come back this time
The grass has grown under your feet
In your absence I changed my mind
And someone else is sitting in your seat

I know that I said that there'd be no one else
I know that I said I'd be true
Baby - I burned cupid's arrow
And here's the short and narrow
I've nothing left to offer you

All cried out
You took a whole lot of loving for a handful of nothing
All cried out
It's hard to give you something
When you're pushing and shoving me around

Don't look surprised there was no disguise
You know where I stood from the start
So stop - look around you
You're right back where I found you
Take back your cold and empty heart

All cried out
You took a whole lot of loving for a handful of nothing
All cried out
It's hard to give you something
When you're pushing and shoving me around

You go your way, I'll go mine, I'll go mine
I won't stay around here
Don't waste my time

All cried out
You took a whole lot of loving for a handful of nothing
All cried out
It's hard to give you something
When you're pushing and shoving me around

You took a whole lot of loving for a handful of nothing
It's hard to give you something
When you're pushing and shoving me around

All cried out
You took a whole lot of loving for a handful of nothing
All cried out
It's hard to give you something
When you're pushing and shoving me around
