

Wumpscut, Body Parts

My darling was crying and I was denying
My crimes my crimes and the bell it chimes
The pain is gone the war is won soldiers on the field
Their bodyparts I dealt after the days of fights
I trooped through peaceful nights peeling his dead eyes sold to you
At my price muscles brains jaws and veins stomach bones jaws and toes
Bodyparts for sale bodyparts for sale
At my price at my price body parts for sale body parts
