

Wumpscut, Tell Me Now

Tell me that you want
That you fulfill my desire
Tell me you are mine
Tell me it will last forever
Please tell me that you love me
And that you will forgive me
That I only wanted your heart
That I never wanted the pain

Tell me that you want
That you fulfill my desire
Tell me you are mine
Tell me it will last forever
Please tell me that you love me
And that you will forgive me
That I only wanted your heart
That I never wanted the pain

Tell me that you want
That you fulfill my desire

Tell me now and here
You are just mine
Tell me god will forgive me
Even he doesn't love me
