

# Wumpscut, Your Last Salute

Ha arribat el moment no desitjat  
La tristesa s'ha apoderat del meu cos  
I jo no puc fer-hi res  
Aquest s l'ultim instant  
Pausa infinita de dolor

Una forca m'allunya de tu  
Cada cop ests ms distant  
Ja no et puc sentir  
Ja no et puc veure't  
Ha arribat el final no desitjat

==English Translation==

The undesired moment has come  
sadness has taken over my body  
I can't do anything about it  
this is the last instant  
infinite pause of pain

A force moves me away from you  
everytime you are more distant  
I can't feel you anymore  
I can't see you anymore  
The undesired final moment has come
