

# Wyclef Jean, Any Other Day

(feat. Norah Jones)

[Norah Jones]

Hmmmmmmmm... mmmmmmm

Today is, not like, any other DAYYYYYYYY

This one is runnin, turn a darker shade of GREYYYY

What, will, I, have, left (tell me tell me)

(Somebody tell me now)

When, this, hard, rain's, gone awayyy

There is a safe place, that I used to KNOWWW-hohhhh

It's the only place, that I want to GOOOOOOO

Where, else, could, I (tell me tell me)

(Somebody tell me now)

'Til, this, hard, rain's, gone (ah-ah-away)

[Wyclef Jean - repeat 2X]

Grandma, grandpa, mother, father

Sister, brother, Lord

Please help the child

I heard the preacher say it's okay, I heard the preacher say

I see the airplane

I hear the engine on the boat

But y'all can't see me wavin the flag

Somebody please wave the flag

[Norah Jones]

What, will, I, have, left (tell me tell me)

(Somebody tell me now)

When, this, hard, rain's, gone awayyy

Today is, not like, any other DAYYYYYYYY

So I'm gone, I have to find, my own wayyyyyyyyyyy

(People, we gotta find another way!)

Can, you, tell, me, how

When, the, hard, rain's, gone (ah-ah-away)

[Wyclef Jean]

I see them wavin the flag

Tell the chopper over here man we wavin the flag

I see them wavin the flag

Tell the boat over here man we wavin the flag

Man I'm wavin the flag

Tell the chopper over here man we wavin the flag

Man I'm wavin the flag

Tell the boat over here man we wavin the flag, wavin the flag, wavin the flag
