

Wyclef Jean, Enter The Carnival (Interlude)

[Tropical music playing in background]

Yo yo I wanna give a shoutout to the world this is Wyclef

Cold chillin out here with my pina colada yeah baby

I'm in the islands, cold relaxin

Right about now The Carnival's gon change phases

If you got your ticket, man, you're allowed to come with me

Yo, for right now I'm gon chill at the beach

Check out the pretty girls layin back, you know how we do playa yo

I'm out here in the sun baby it's all good!
