

Wyclef Jean, Killer M.C. (Interlude)

[Wyclef:]

Hello, boys and girls.

Welcome to Wyclef Words of Wisdom.

I am here with an m.c. that

everyone is scared of.

He has killed over a million

people on record and he's still

not locked up.

Am, what is your name sir?

[Killer M.C.:] Nuhmsayin? Am...

[Wyclef:] Yeah. Basically, if you have

killed so many people why ain't

you locked up?

[Killer M.C.:] I'm sayin' though like,

nuhmsayin?

[Wyclef:] Yeah, exactly my point.

Don't believe the hype.
