

# Wynn Stewart, Cry Baby

Cry baby cry baby  
You're cryin' over him but you're still my baby  
So cry baby and I'll try baby  
To baby you till all your tears are dried

A smooth talkin' money spendin' traveling man  
Promised you much more than just a one night stand  
But you found out that he was only passin' through  
So cry baby I know what you're goin' through

Go ahead and cry baby...  
( steel )  
Go ahead and cry baby...  
To baby you till all your tears are dried
