

# Wynn Stewart, Do Die

I don't care if I do die do die I quit livin' if you wave your bye bye  
And every day's just the night to cry cry so I don't care if I do die do die

I destroy myself when I drink the warm red wine  
You wanted his but more then you wanted mine  
Life without you is just a waste of time I don't care if I do die do die

I don't care if I do die do die..  
( steel - guitar )  
You ruin my soul and you wreck my brain your kinda love drives a man insane  
Life without you it won't be the same and the battle is one-way train

Well I don't care if I do die do die...  
No I don't care if I do die do di
