

Wynn Stewart, For The Good Times

Don't look so sad I know it's over
But life goes on and this old world keeps turning
Just be glad we had some time to spend together
There's no need to watch the bridges that were burning

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops blowing soft against my window
And make believe that you love me one more time for the good times

I'll get along and you'll find another
But I'll I'll be here if you'd ever need me
Don't say a word about tomorrow or forever
There'll be time enough for sadness whenever you leave me

Just lay your head upon my pillow...
(For the good times) for the good times (for the good times)
Yes for the good times (for the good times) oh for the good times
