

# Wynn Stewart, It's Such A Pretty World Today

It's such a pretty world today look at the sunshine  
And every day's the same since I met you  
It's such a pretty world today knowing that you're mine  
And happiness is being close to you

And though the rain may fall my skies will all be blue  
If I look close enough the sun will come shining through  
It's such a pretty world today look at the sunshine  
Today and every day since I met you  
( steel + guitar )  
It's such a pretty world today...  
And though the rain may fall...
