Just one more dance just one more chance so I can talk to you
We've both have paid don't be afraid just let me try to prove
I would do anything you want me to
Just one more dance just one more chance let me talk to you
Don't go too far with that crowd at the bar
That's not the way to win let's fall in love again
Give me your heart and let me start to build our life anew
Just one more dance just one more chance let me talk to you
Just one more dance just one more chance let me talk to you
