OPEN UP MY HEART
Writer Lance Guyness

You are the key to my happiness lock out the loneliness
Bring back the joyfulness open up my heart
Show me true love again love me like you did when
Our hearts feel young and then open up my heart
I've been so lost without you that I locked up my heart
But I can't forget about you though we're apart
Just show your love for me how happy we could be
You know you have the key that opens up my heart
You are the key to my happiness...
I've been so lost without you...
